

The approximate list of various Trade secrets misappropriated by Reynolds with the help of the corrupt defendant KAVITA were well pleaded in the Tenth cause of action and the plaintiff would like to restate the list of the misappropriated Trade secrets as if fully restated herein again and especially the list as marked as (1) to (3) and the items 1 to 8 at the page #45-46 of this complaint. Finally, the RICO enterprise was able to 'succeed' in her 'goals' and by misappropriating the Trade secrets from Swamiji's computers. Reynolds used the same Trade secrets to recruit some corrupt individuals (9 individuals) and used them to give false testimony against them and even by branding them as the victims of Bank fraud, although none of the so called individuals are 'financial institution'.

150. All the defendants in this action conspired with each one of them or with the RICO Enterprise and unlawfully took the properties of Swamiji-Selvam. Further they are 'still' in unlawful possession of various properties belonging to Swamiji as illustrated in the cause of actions civil fraud, breach of contract etc. All the defendants have committed a criminal act of 'Theft by taking' with a clear intention of depriving Swamiji's property as he is the sole owners of them.

151. Also even after Swamiji and his associate priests demanded that Swamiji's properties be returned, however still, the defendants have not returned the properties of Swamiji-Selvam. They did not even in good faith to settle the evil acts of Theft by Taking which they have intentionally committed. Here these defendants intent could be very well inferred from their well planned, premeditated, fraudulent scheme to steal or misappropriate, or loot the properties belonging to Swamiji.

Further, also from their words, conduct, demeanor, motive, and all other circumstances connected with the act of Theft by taking', misappropriation etc. The defendants also took the control of the properties of Swamiji by deceitful means and also through artful practice with their intention of depriving the owner Selvam of his property, which was nothing but a wilful theft by deception'.

152. In this instance the defendants created and confirmed another impression of an existing fact and past events which is false and which the defendants knew and believed to be false. The defendants even failed to correct their false impression of an existing fact and past events which they previously created and confirmed with Swamiji and with the state and federal agencies and the credit card, merchant service entities and Swamiji's associate priests. In furtherance of conspiracy the defendants passed several false statements by using the wires and mail to injure Swamiji.

153. All the defendants, wilfully and knowingly devised a scheme and artifice to injure the Swamiji by means of false pretenses, to the Swamiji and as well as the state and Federal agencies. The Exhibits attached herewith as "sample" are the copies of the Envelopes used by these corrupt defendants to mail their false and fraudulent informations about Swamiji to the US Attorney's office, which is an agency of the federal Government. (Exhibit-20)

154. In fact tons of false statements made towards Swamiji and his business associates to deprive swamiji and his properties are extremely explained in the Breach of contract and the Civil fraud and conspiracy to commit Civil fraud counts with 'more specificity' and also with direct evidences, which will support the predicate acts of Wire fraud and mail fraud predicate acts to support the RICO

155. Defendants are 'association in fact, with the racketeering enterprise who have engaged in Trade and commerce. The defendants have a functional connection with the Enterprise that enable them to engage and to further participate directly and indirectly in the affairs of the Enterprise. Here, after reading this complaint which has stated in an extensive way about the on going RICO conspiracy, since the year 2008 onwards, with direct evidences attached to this complaint, without any doubts, will show to any normal mind that defendants were aware of at least the general existence of enterprise.

156. The defendants used the US wires and the US postal mails to defraud and deprive Swamiji and his properties and to injure his businesses. All the defendants have used Swamiji Selvam's properties which they have acquired without Swamiji's permission, authority or knowledge. By doing those criminal acts the defendants engaged in monetary transactions (several) which exceeds \$10,000.00 in one transaction.

157. 18 U.S.C. Section 1957 prohibits "(e)ngaging in monetary transactions in property derived from specified unlawful activity". All the defendants knowingly engaged or attempted to engage in monetary transactions that they knew involved property derived from their unlawful activity.

158. All the defendants in fact have communicated either with Swamiji or his associate priests working for Swamiji's business, and almost every one met with the associate priests or Swamiji, used several times the US wires (Cell, Home, Business Phone lines) to defraud Swamiji. Further the defendants caused to mail false informations to Swamiji and or to the state and federal agencies by using US mails etc., to injure Swamiji and his businesses and also various properties. The predicate acts of wire fraud and mail fraud was committed by each defendants more than in two occurrences without any doubts.

The several undisputable and direct evidences with this complaint would automatically vouch for it. Further when the defendants have committed series of mail fraud, they have concealed several true material facts knowing that their affidavits/declarations, several statements to Swamiji & US federal agent over the phone and in writing were false and their intent was malice to injure Swamiji and his business.

159. All the defendants have used the federal mails as a part of their racketeering activities to injure Swamiji. Here, there is an existence of a scheme to defraud Swamiji. All the defendants have used the US Federal mails in furtherance of their fraudulent scheme, with the intentional culpable participation by them to injure Swamiji and his 'spiritual business', which are not limited to temples founded by Swamiji, monastery founded by Swamiji's masters/Guru.

160. The predicate act to support the mail fraud, the mailing have not only deceived Swamiji through their mailings, whereas, their repeated misrepresentations and intentional omissions reasonably calculated to deceive persons of ordinary prudence and comprehension. The defendants conducted the predicate acts of wire fraud and mail fraud repeatedly and continuously. All the defendants worked very hard to achieve the "goals" of the RICO Enterprise which was at any cost destroy and injure Swamiji's spiritual business, and throw Swamiji in to prison, by using these handful numbers of disgraceful, corrupt, heartless, and cruel 'walking evils', with their false testimony and false pretenses collectively. The defendants are the very dangerous criminals, who have conducted the affairs of the Enterprise with mutual understanding with division of labor to injure permanently Swamiji, his business, and properties.

OBSTRUCTION OF JUSTICE PURSUANT TO 18 U.S.C.1503

161. Swamiji reiterate and realleges all the foregoing allegations as if fully alleged herein. All the defendants committed criminal obstruction

Justice by violating the 18 U.S.C 1503. The defendants as explained extensively in the previous paragraphs and especially in the cause of action 'Civil fraud', they 'casually' sent and caused to sent several false writings to influence the federal officers which are not limited to the case agent, special agents of the Internal revenue service, US attorney's office and other several federal agencies also. They (every one) filed an unmistakable false declaration, that too under penalty of perjury was the "star" fraudulent acts of these defendants. Those false declarations were given with a puerly with an evil motive to "EXTORT" money from the plaintiff by influencing the courts and other Federal agencies.

Racketeering Relating to Engaging in Monetary
Transactions in property derived from specific Unlawful
Activity

162. All the defendants as extensively explained in the prior paragraphs have misappropriated the properties belonging to the Plaintiff and latter caused an act of 'theft by taking'. Finally they happened to kept the illegally acquired properties of the plaintiff and under belief and information everyone of the defendants have sold the ancient Palm scripts & ANU, UMA & JOHN DOE has sold the Trade Secrets for over \$10,000.00 in a single transaction.

163. All the defendants had an illegal agreement to violate a substantive provision of the RICO statute 18 U.S.C. 1962(D). Every one of the defendants had some part in directing the affairs of the enterprise. The defendants actions were improper and without privilege. All the defendants acted purposely and with malice with the intent to injure.

208. The plaintiff, his properties and businesses were damaged and injured to an irreparable harm because of the intentional and illegal continued predicate acts of all the defendants. The plaintiff was damaged and injured an amount to be proven at Trial, but exceeding \$10 million plus interest allowed by law, and the same needs to be paid by all the defendants severally.

FIFTEENTH CAUSE OF ACTION
INTENTIONAL INFLICTION OF EMOTIONAL DISTRESS

166. Selvam reincorporates and realleges all the foregoing allegations in paragraphs 1-166 as if fully realleged herein.

167. All of the Defendants' outrageous conduct acted upon Selvam intentionally and recklessly. The intentional ill and evil acts have caused severe emotional distress to Selvam. All the Defendants' continued illegal and unlawful acts are so outrageous in character, and so extreme in degree, as to go beyond all possible bounds of decency and are to be regarded as atrocious and utterly intolerable in civilized society. "If reasonable people may differ as to whether the conduct is extreme or outrageous, the question is one for the Jury." Kiduff v Cosential Inc., 289 F.Supp.2d 12, 22 (D.C.Conn. 2003).

168. "An intentional infliction of emotional distress claim is rarely dismissed on a motion to dismiss." Acevedo v Monsignor Donvon High School Dist. of New Jersey, (2006). Selvam has extensively explained several outrageous conducts of the Defendants very well in this Complaint. The distress caused by these Defendants in this action caused Selvam to attempt suicide in the jail and he was held under 24 hours suicide watch in the institution.

169. Because of the continuous, corrupt RICO predicate acts to support the RICO Enterprise, Selvam's 2300 year old monastery, started by the previous masters of the monastery 2300 years ago, was almost destroyed by all the Defendants' outrageous and egregious continued fraudulent acts. Because of the continued ill acts of the Defendants, Selvam's father died due to the continuous harassment by the Defendants. Just a few days back, Selvam's only brother died of a heart attack because of the extensive harassment caused by all the Defendants to Selvam's only brother, who was

just in his 40's. The RICO Enterprise took a major part in the loss of life in Selvam's family by causing the deaths of Selvam's father and his brother, who was one of the top notch pharmacists in the USA, and who left a pretty wife and two young children, and his spirit passed away due to the extreme harassment and threats caused by all the Defendants and the RICO Enterprise Reynolds.

170. Because of the continuous torture and threats, Selvam has accumulated serious health difficulties, and "he is dying day by day" because of the serious health difficulties caused by the RICO Members and the Enterprise. JOHN DOE defendants Selvam's son's employer, where Selvam's son was a young pilot, and JOHN DOE, willfully and evilly interfered with Selvam's son's employer by passing along several bad and false pieces of information about Selvam to the employer, he caused Selvam's son to not only lose his dream job but also caused him severe emotional and health difficulties, and that finally also attacked Selvam and inflicted emotional distress on him.

171. Because of the conspiratorial activities of all the Defendants, Selvam recently lost both his wife of 18 years and a minor daughter. Because of the above and beyond inhuman acts of the Defendants, the only Hindu Indian-American religious magazine known as "Karma" which had 17 million subscribers and followers, which was the brainchild and intellectual property of Selvam, was "murdered." Because of the well planned RICO predicate acts by all the Defendants from the year 2008 and onwards, these Defendants have given a new recognition to Selvam by changing the recognition given by Selvam's spiritual master, which was "S'wāmiji High Priest," to a new word and recognition, which is "felon." The intentional criminal acts of these Defendants who immigrated to this wonderful nation have used the system and a corrupt poisonous tree cum RICO Enterprise Reynolds to vent out their personal grudges, grievances, and blood vendettas zealously on Selvam to literally tear apart Selvam's personal life, family, monastery, and Temple organizations per se.

Selvam lived as a law abiding citizen for 50 years of his life and he was selected as the first youngest area commander for Home Guards for the city of Chennai, the capital of the State of Tamil Nadu, and was managing a 4,600 parapolice force as a commander, before moving to the USA in his position as a High Priest Swamiji. Now, a man who served his nation (India) was maliciously thrown into prison for 28 years for a so-called fraud of \$10,600.00, and this even after the Federal agent testified at Selvam's sentencing repeatedly that there was "no evidence for fraud." (Please take mandatory judicial notice pursuant to Fed.R.Evid. 201 of the sentencing hearing of Selvam in the case No. 2013-CR-437-TCB.) Even Gopa and Valmiki gave their speech at the time of sentencing, and when you read that particular part of the transcript of what Gopa and Valmiki had proffered and compare it to the set of facts with direct evidence about the true motives of these Defendants and the RICO Enterprise, you will be 100% convinced that these Defendants and the RICO Enterprise have simply made fools and idiots out of several district court judges through their well planned scheme and artifice.

162. The actions of the Defendants, jointly and severally, were extreme and outrageous and performed with the intention of causing severe emotional distress to the Plaintiff herein or with reckless disregard of the consequences.

163. As a direct and proximate cause of the wrongful acts of the Defendants, the Plaintiff suffered extreme indignities and humiliation, severe emotional distress, mental anguish, loss of liberty, loss of standing in the community, and has been held up to ridicule before his peers and has lost his statutory right to an education free and clear of the above deprivations.

164. Selvam seeks \$25 million in damages for this Cause of Action from all the Defendants individually and collectively and/or any amount decided by the Jury with interest allowed by law.

ELEVENTH CAUSE OF ACTION
COMPENSATORY DAMAGES

Selvam realleges and reincorporates all the foregoing allegations in paragraphs 1-171 as if fully alleged herein again.

172. Selvam requests compensatory damages from the Defendants in an amount to be determined by the Jury. Compensatory damages are damages sufficient in amount to indemnify the injured person for the loss suffered. Black's Law Dictionary 472 (10th Ed. 2009). The demand for compensatory damages is inclusive of Plaintiff's physical pain and sufferings, mental anguish, inconvenience, disfigurement, humiliation and the loss of enjoyment of life. The compensatory damages, for which the Plaintiff seeks, which is also inclusive of Breach of Contract, Conversion, Unjust Enrichment, all the Fraud Cause of Actions, Intentional Infliction of Emotional Distress, plus whatever the Court deems appropriate.

173. Selvam realleges and reincorporates all the foregoing allegations in paragraphs 1-172 as if fully alleged herein again.

174. Selvam in this case is really entitled to the award of punitive damages. These Defendants' intentional misconduct was motivated by an "evil motive" which involves reckless and callous indifference to the protected rights of the Plaintiff Selvam here. It also includes the harm to the Plaintiff, who has been put to unwanted troubles and difficulties and expenses in the protection of his interests, as by legal proceedings in this Court and in the other courts also.

175. The Jury and/or the Court can appropriately award punitive damages by considering the degree of responsibility of the conduct of the Defendants in this case, and this Court as a fact finder can award an appropriate punitive damages award, and the Plaintiff respectfully seeks at least \$3 million as Punitive Damages.

PRAYER FOR RELIEF

Wherefore, Swamiji Sri Selvam Siddhar, a/k/a Annamalai Annamalai respectfully requests that the court:

- (1). Enter an award in favor of plaintiff against the defendants VIOLET RAJKUMAR, CHABLALL RAJKUMAR, KAVITA JACOBSON, PTER S.SMITH, MANOJ KUMAR BEHERA, ERIC JACOBSON & JOHN DOE 1-10. for all the requested damages as specified in each of the counts in the complaint.
- (2). Enter an award in favor of Plaintiff against all the defendants, jointly and severally, for punitive damages as the Jury and or the court deems fit.
- (3). Enter an award in favor of Plaintiff and against all the defendants, jointly and severally, for Plaintiff's cost and fees, including any and all post-judgement interest allowed by law.

- (6). Enter an award in favor of Plaintiff Swamiji Sri selvam Siddhar a/k/a Annamalai Annamalai against the all the defendants for jointly and severally for Exemplary damages for the cause of action of misappropriation of Trade secrets, since although the defendant KAVITA JACOBSON was the "leader" and the JACQUELINE REYNOLDS is the motivating factor, here all the defendants aided and abetted to misappropriate the Trade secrets and later, they have used it for their businesses and benefits.

(7). Enter an order and preliminary injunction from the court by enjoining all the defendants and their privies, agents not to destroy any and all Electronic Mail Communications (E-Mail) concerning the plaintiff, his business, Trade organizations,

(8). And to grant Plaintiff such other and further relief at law and in equity, that the Court deems appropriate.

Respectfully Submitted on this day of 29 February, 2016.

Due to jealousy, heart burning or some base cause, the Tantriks use cheap tactics to overcome the adversaries, which ruins one's life. Are you also under such a spell? We must have peace and happiness in life, and to achieve the same we work hard. But we do not get in return to the proportions of our labor. We get very little even after the best of our efforts. we fail to get success in our business but the profits are too little. We do not want any discontentment or discord in our family life, but in spite of our best efforts, the peace and tranquility of our family is disturbed. On the other hand people work very little, but get too much in return. Businessmen have ample wealth just by putting in little efforts, but we are disappointed even after continuous efforts. It leads us to conclude that there are some evil forces which make our strategies unsuccessful. Whenever you face such situations, feel assured that someone has used Black Magic on you.

I recently was browsing net and got to see your website and your works. Your works are great. I am undergoing a problem in my life. I would require your help for that Siddhar Ji. If you can give me some mantras to me so that I can rectify it and solve me problem

I recently got married. It was an Arranged marriage. I am a Bangladeshi and my husband from Chitor - Andrapradesh.

I am working women and before my marriage could settle. I had in advance told about my things and commitments to my husband. Initially after engagement everything was okay and good. But soon after my marriage, I started facing lot of problems. My husband is just filled with too much of negativity. He just thinks only of negative things about me. He doesn't trust me at all. Day by day, he started fighting with me for small reasons. In case I just come 5 mins late from office, he will start thinking all kinds of negative things and when I come home he will start fighting with me. This became to the core that now if I got out too, he suspects me that I look at other guys. Once he starts fighting He scold me in Bad words. He misunderstands for each and everything. He doesn't Trust me at all.

But Somehow He loves me. So I just want to save him and my Marriage life. His parents also doesn't understand me. They support him only.

I love him very much and I just want to save this marriage somehow.

Please help me in giving some mantras that will increase Trust and Love and positive thinking within my husband. Please heal my relationship and misunderstanding.

Please help me Siddhar Sir. Please. Every day and Night I am suffering. I really Love him very much

Thanks in Advance
